CARE COMPANION

PURPOSE:

Care Companion allows people who need vital health statistic monitoring the opportunity to remain independent in the comfort of their own homes.

Care Companion is a home telemonitoring program that allows a licensed nurse to monitor the client's vital health statistics over a videophone. With a touch of a button on a telephone, the nurse and client can see and talk with one another while vitals such as blood pressure, blood sugar, weight and blood oxygen are monitored.

The program also offers a "Family Connection" so family members living away have the opportunity to see and talk with their loved one during phone visits.

ELIGIBILITY:

Anyone with health concerns who require regular monitoring. No age restriction.

COST:

Some long term care insurance, private pay, CMO, Medicaid and Medicare pending
